Hello Paul,

I want to connect and discuss moving forward with a ROIS for Robynn Europe. Since the start of her employment, I've had multiple conversations regarding her time and attendance both on email and in person. She has also received multiple ROD's regarding time and attendance, with the most recent one being recorded and communicated as a final.

Upon my monthly check-in audits, I found Robynn was late for 15 out of 22 scheduled shifts in August, and this month she has been late to 5 of 6 scheduled shifts.

Date / Time arrived/ time scheduled

8/3 - 9:30am / 9am
